Hi Toni,

I just left you a long and rambling voicemail – my apologies.

A couple of thoughts:

The EPA logo is cut off just slightly when printed. Can we drop it down just a bit?

Also, we need to insert the word “the” in the first sentence of the first full paragraph of the second column in from of “West Lake Landfill site.”

Finally,

We can shrink down the font size to what it was before and then insert an additional box with the CAG meeting information. This will give us additional content and help fill up the page.

Information for the box: **Community Advisory Group Meeting - Monday, June 8**

The next Community Advisory Group (CAG) meeting will be held June 8 at 6:30 p.m. at the Operating Engineers Local 513 Offices, 3449 Hollenberg Drive, Bridgeton, Mo. 63044.

Give me a call if you have any questions about this.

Thanks,

Benjamin M. Washburn
